

National Curriculum Aim

National Curriculum Subject Content

How we meet the Aims and Content of the National Curriculum across KS1 & KS2:

Pupils in KS1 will:	Pupils in KS2 will:
produce creative work, exploring their ideas and recording their experiences	create sketch books to record their observations and use them to review and revisit ideas
use a range of materials creatively to design and make products	improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay]
develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space	
use drawing, painting and sculpture to develop and share their ideas, experiences and imagination	
evaluate and analyse creative works using the language of art, craft and design	
know about great artists, craft makers and designers, and understand the historical and cultural development of their art forms.	
learn about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.	learn about great artists, architects and designers in history.
