### **What can I do if I do not agree with decisions made about my child?**

We hope that all of the decisions made about your child will have been made together, so

that we all agree on the best course of action for them.

However, if you have any concerns or questions please talk to the class teacher first, so that we can try to resolve any issues. If this does not help, please then talk to Mrs Whitwell or Miss Palmer, who will try to support you further.

If you are still unhappy, please make an appointment to see the Assistant Head Head Teacher Miss Nicholls.

If the school is unable to resolve your concern, contact the Lincolnshire Liaise team on 01522 553351.
