Don't forget to follow the school on Facebook and Twitter where we share all the exciting things your children have been doing in school.

Also make sure you sign up to Class Dojo where you can see the points your child is earning over the week and some more exciting pictures of what is happening in class. Homework will be posted on here every Friday.

SATS Week

9th May sees the beginning of Year 6 SATs testing. Children in Year 6 will need to arrive in school at 8:20 for this week on the Monday to Thursday for a prompt 9am start.

The following week (beginning 16th May) KS1 will be doing their assessments.

During the w/c 6th June, Year 1 will be doing their phonics screening check and Year 4 will be doing their Multiplication Tables Check.

Since September the children have been working very hard in class to prepare them for their tests and as a school we very much encourage the children to 'try their very best' and to be resilient in their approach even if they find some aspects of the tests challenging. We talk openly and honestly about why these tests are important to them and to us as a school. It is a time when the children can really show their learning and celebrate their successes in the core areas of Mathematics and English.

As always attendance at school is very important in order for the children to prepare for their everyday learning but attending key times in school during test weeks is crucial.

School Uniform

Uniform is an important part of a school's identity. It reinforces who we are as a community and helps allow students to feel pride in their school. It also helps prepare students for life after school where many will have to dress smartly for work.

Please can you ensure the children come to school in correct school uniform.

The uniform policy is available on the website for further reference: Parent Zone > Uniform

Calendar dates

Please remember all school dates are on the school website:
Parent Zone -> Calendar.

Attendance

Please can we remind you that the school gates open at 8:40a.m. and close at 8:50a.m. Arrival after this time will be marked as late.

Scooter and Bikes in school.

When children leave their scooters and bikes in school can I just remind parents that the bike and scooter sheds are not in our school locked gates throughout the day. To ensure that they are safe you will need to lock them up yourselves. Although they are left on our property it is not our responsibility for their safety.

Platinum Jubilee Celebrations- Friday 27th May

On Friday 27th May we would like to invite our families to our Queen's Platinum Jubilee Celebration. Please arrive for 1.30p.m. as the children have been learning about the decades since The Queen's Coronation and will be showcasing their learning followed by Afternoon Tea/Picnic.

You should have received an invite via ParentMail on 3rd May. Please respond to this to confirm your attendance and also confirm the number of family members that will be attending.

Please bring picnic/afternoon tea supplies (no nuts or alcohol) for yourselves. We will provide food and drinks for the children.

We will be fundraising on the day for the school. Year 6 will be running some 1950's style stalls and there will also be buckets to collect any voluntary contributions.

We are lucky enough to also be joined by members of the local community... and there may even be a surprise guest!

The afternoon will conclude at 3p.m. The children will return to their classrooms to ensure they are ready for you to collect at the end of the day.

Each year group has been given a decade to learn about (Nursery - 2020's, EYFS- Year 1-2000's, Year 2- 1990's, Year 3- 1980's, Year 4- 1970's, Year 5- 1960's and Year 6- 1950's) The children can either dress in their decade or in red, white and blue.

If you need to report a safeguarding concern about a child, please call
Lincolnshire County Council 01522 782111
