Don't forget to follow the school on Facebook and twitter where we share all the exciting things your children have been doing in school.

Also make sure you sign up to class Dojo where you can see the points your child is earning over the week and some more exciting pictures of what is happening in class. Homework will be posted on here every Friday.

COVID 19: New guidance

The latest government changes to testing rules do not mean the end of testing altogether.

Self-isolation

Adults and children who test positive will continue to be advised to stay at home and avoid contact with other people for at least 5 full days and then continue to follow the guidance until they have received 2 negative test results on consecutive days.

In addition, the Government will no longer ask fully vaccinated close contacts and those aged under 18 to test daily for 7 days and routine contact tracing will end.

Should parents send their child to school if they think they have COVID-19?

If a child has any of the main symptoms or a positive test result, the public health advice remains unchanged and is to stay at home and avoid contact with other people. Anyone with any of the main COVID-19 symptoms should take an LFT test or order a test and is advised to stay at home while waiting for the result. If they test positive, they are advised to follow public health advice.

Parents Evening.

Parents evening will take place on Tuesday 8th March in school. It will be lovely to finally be able to meet with parents face to face so please use the ParentMail system to sign up for an appointment. Bookings will be live from 4pm on Friday 25th February and they will close the following Saturday 5th March.

World Book Day

World book day takes place on Thursday 3rd March. Don't forget children can dress as their favourite book character and parents are invited to come in at 2:30pm onwards to see what the children have been doing in class and do some reading with the children.

In the morning we will be holding a special breakfast for all children as part of The Great Big Breakfast (campaign from Magic Breakfast). There will be a variety of breakfasts for the children to try.

THE IMPACT OF READING 20 MINS EACH DAY

Regular reading impacts a child's success at school. If not addressed early the educational gap widens...

Child A
Reads 20 minutes per day

3,600 minutes per school year

1,800,000 words per school year

Scores in the 90th percentile

Child B
Reads 5 minutes per day

900 minutes per school year

282,000 words per school year

Scores in the 50th percentile

Child C
Reads 1 minute per day

180 minutes per school year

8,000 words per school year

Scores in the 10th percentile

Standardised Test Scores

By the end of grade 6, Child A will have read the equivalent of 60 school days, Child B will have read for 12 school days and Child C will have read for 3 days. Nagy and Herman, 1987.
